

Gas Storage and Transmissions: Hear about the latest project developments from leading operators

SMi Group reports: RWE Gas Storage, Shell Energy Europe, Centrica Storage Limited, E.ON Gas Storage, National Grid, CEDIGAZ

LONDON, ENGLAND, ENGLAND,
February 17, 2014 /EINPresswire.com/
-- The SMi Group is proud to present its 8th annual Gas Storage and Transmissions Conference, taking place in London, UK, on the 18th and 19th of June 2014. Registration is now live.

This conference is bringing to you the most respected speakers from across the industry giving a comprehensive overview of the market, looking at the current state of the European Gas market and security of supply, gas transmission and how gas storage will contribute to future demand, infrastructure and investment challenges, plus more. Get the chance to network with leading experts who are currently developing and operating gas storage and transmission networks.

Benefits of Attending:

- Discuss the state and recent developments of the UK & European gas market
- Hear about the latest project developments from leading operators
- Evaluate the business case for gas storage
- Understand the investment challenges in the market
- Discover how gas storage will contribute to future transmissions network market

Key Speakers Include:

- Mike Madden, Managing Director, MJM Energy Daniel Urban, Manager Regulatory Affairs, RWE Gas Storage
- Thorsten Dinkela, Head of Business Development N&E, Shell Energy Europe
