to sacrifice a bit of the modern style that we've become known for. The open-plan living area and high ceilings really make this property a stunner and we're excited to be able to show it off," said Sandra Muller of New Generation Homes (www.newgenerationhomes.com.au).

As its name would suggest, The Ambience was designed and constructed to offer a warm and inviting atmosphere. The main living and entertaining space includes a gourmet

kitchen with fine cabinetry, countertops, and appointments. The adjoining covered alfresco offers the perfect setting for hosting guests or family gatherings.

Meanwhile, the luxurious master suite features a large walk-in wardrobe and opulent en-suite. Two more bedrooms situated at the opposite end of the home provide the perfect guest quarters or children's wing, complete with its own bathroom and computer area.

When it's time to bring the entire family together a specially designed home theatre is situated in the centre of the home.

"The average first home buyer is looking for that perfect property that will suit their family now and well into the future. We design our large family homes to offer the right mix of amenities and value to appeal to virtually any taste. The Ambiance is the type of home that needs to be seen in person to be truly appreciated," Muller said.

The Ambiance display home is located at 29 Monticello Meander, Landsdale, within the Corimbia Estate. Opening hours are 1-5pm Saturday, Sunday, & Monday public holidays, and 2-5pm Mondays & Wednesdays.
