

Home Builders In WA Summit New Homes Put Their Latest Design, The Monaco, On Display

The Monaco joins the large portfolio of new homes in Perth offered by the popular building group.

PERTH, WA, AUSTRALIA, February 27, 2014 /EINPresswire.com/ -- Everyone needs the occasional break from the hustle and bustle of modern life, and it's with that thought in mind that renowned home builders in WA, [Summit New Homes](#), has designed and constructed their newest display property, [The Monaco](#).

The Monaco is now available for viewing to buyers searching for a new property, purchasing their first home or looking to demolish and build in Perth.

Created to be as much a relaxing destination as a home, The Monaco is a stylish four bedroom two bath, perfect for a growing family.

"The Monaco is aptly named as it feels like an exotic escape, and yet still maintains all the functionality and features that families want and need in a new homes in Perth. The fabulous open floor plan and ample living spaces make this the ideal home for a wide range of families and we're so excited to show it off," said Sandra Muller of Summit New Homes (www.summitnewhomes.com.au).

The interior features of The Monaco include striking raked ceilings that join the living and dining areas to the sophisticated alfresco entertaining space, perfect for year round hosting. The kitchen features freestyle benchtops

and an underslung double sink, making it well-equipped to handle the preparations needs for parties of any size.

The bedrooms have been thought out to cater to the particular needs of parents and children

alike. The private master ensuite features a beautiful double shower, vanities and a relaxing bath. Meanwhile, the other three bedrooms, arranged perfectly to host guests or to serve as the children's area of the home, also boasts its own bathroom and separate powder room.

Other living spaces include an IT nook and separate study area as well as a home theatre room. Outside, The Monaco features optional double or triple garage designs to suit the needs of families with multiple vehicles or children of driving age.

"Here at Summit Homes Group, we know that every family has its own particular set of needs in a home, so we've designed all of our properties to be versatile living spaces that buyers can truly make their own and enjoy for years to come. We fill each home with the finest materials and appliances to ensure they last a lifetime," Muller said.
