

Commodore Homes Offers First Home Buyers In Perth Choice Of Free Bonus Upgrade

Perth home building specialists are now offering buyers one of three free bonus upgrades with any purchase from their Resort Range of home designs in Perth.

WEST PERTH, WA, AUSTRALIA, February 27, 2014 /EINPresswire.com/ -- First home buyers in Perth are being treated to a little something extra from WA home builders [Commodore Homes](#). With any purchase from their Resort Range of home designs in Perth, Commodore Homes is offering buyers the choice between three great bonus features.

Perth home building specialists are now offering buyers one of three free bonus upgrades with any purchase from their Resort Range of home designs in Perth.

"Our Resort Range of homes is perfect for couples and growing families, but we wanted to give our customers a little something extra. We chose three of our most popular add-ons to offer as free bonus options, and we know that prospective first home buyers will appreciate the help to add those finishing touches to their new home," said Mark Anderson, Commodore Homes General Manager (<http://www.commodorehomes.com.au/why-choose-commodore/about-us>).

“

Our Resort Range of homes is perfect for couples and growing families, but we wanted to give our customers a little something extra.”

Mark Anderson, Commodore Homes General Manager

Buyers who purchase a new home in Commodore Homes' Resort Range can choose between one of the following at no additional cost:

- Option One: Fully Ducted Air - Fully ducted reverse cycle air conditioning.
- Option Two: Floor Covering - Floor covering packaging throughout the home.
- Option Three: Prestart Allowance - A \$10K prestart allowance.

This special upgrade offer is available on Commodore Homes' exclusive Resort Range which includes the Villa Contempo, Maxi, Le Grande, and Aspire home designs in Perth. These stunning

and modern homes, which start at only \$174,990, already come complete with a host of impressive inclusions like:

- Choice of two modern elevations.
- 31c ceilings in kitchen, family and dining areas.
- essastone® kitchen benchtops.
- Double basins in en-suite.
- 3401 gas-boosted solar hot water system.
- Stylish 900mm appliances.
- Floor tiling in WC and laundry.
- Flagstone designer paving on alfresco, port, path & driveway.
- Intelligent Home Technology Package.
- Choice of Colorbond® or roof tiles.

"We ensure all of our home designs are completed with the finest materials and appliances. It's our goal to build innovative and affordable homes in WA, and our Resort Range is a perfect example of what intelligent home design is all about. These homes truly have something for everyone," Anderson said.
