

National Homes, Builder Of Luxury Homes In Perth, Now Offering Display Home Designs From \$198,990

Luxury home builders in Perth now scheduling showings of their innovative display properties.

WEST PERTH, WA, AUSTRALIA, March 5, 2014 /EINPresswire.com/ -- Thanks to the latest special offer from premiere WA builder [National Homes](#), luxury homes in Perth don't necessarily have to come with a lofty "luxury" price tag. The specialists in modern home design in Perth have constructed each of the beautiful properties in their Signature and Inspiration Series and are offering new home buyers a chance to tour these stunning [display homes](#), some of which are available from as little as \$198,990.

Luxury home builders in Perth now scheduling showings of their innovative display properties, so you can experience the difference and be confident you're building a home you love.

"Pictures and renderings of these beautiful properties simply don't do them justice, and we wanted our clients to have the opportunity to see and feel for themselves what makes these homes so special. We're confident that with one step inside they'll fall in love with these designs as much as we have," said Mark Anderson, National Homes General Manager. National Homes understands that while the design phase of a new home can be very exciting, it can also be overwhelming. Along with their full line of display homes, their Pre-start Centre allows homebuyers to see and touch

samples of all the materials that comprise each property National Homes builds. National Homes maintains relationships with top suppliers, many within Western Australia, to ensure that each home they construct meets their high quality standards.

Each of the display homes within the National Homes Signature and Inspiration Series can be finished to meet the specific needs of buyers, with a great range of included features. Some of the premium inclusions available are:

- Fully ducted reverse cycling air conditioning.
- Floor tiling to living areas and carpeting to bedrooms.
- Internal wall painting
- Stone benchtops to kitchen, en-suite & bathroom.
- 2sk photovoltaic solar power system.
- Stylish pavers to driveway, path, porch and alfresco.
- Semi-frameless pivot doors to en-suite and bathroom.
- Ducted vacuum system.
- Environmentally friendly 300L gas-boosted solar hot water system.

Every one of these impressive features is built to National Homes' exacting specifications to ensure the best possible fit and finish, with display home designs from just \$198,990.

"In addition to offering a wonderful selection of designs, we pride ourselves on our commitment to quality at the construction stage. We remain in constant communication with our clients throughout the process to ensure that the completed home meets, and most often exceeds, their expectations," Anderson said.

All of National Homes' display properties are open Monday & Wednesday from 2pm-5pm, Saturday 1pm-5pm, and Sunday 12pm-5pm. Private viewings can be arranged by calling 08 6555 7504, or online at <http://www.nationalhomes.com.au/we-built-them>.
