

SMi Partners with Expert Advisory Board to Launch Inaugural conference on Allergies

SMi Group Ltd is proud to release the conference agenda for their inaugural conference on Allergies

LONDON, LONDON, UNITED KINGDOM, March 6, 2014 /EINPresswire.com/ -- SMi Group have worked in partnership with an expert advisory board which includes KOLs from Imperial College London, Swecure AB and GSK, to put together the launch inaugural conference on [Allergies](#).

The programme will examine key areas such as novel approaches in the treatment of allergy, therapeutic advances, allergic pathophysiology, a current update on food allergies, the future of allergen-specific immunotherapy and challenges, allergy prevention, diagnosis and drug development.

"This conference brings together speakers from academia, industry and from the clinic to explore promising future therapies in allergy and in non- allergic eosinophilic inflammation." Dr Glenis Scadding, Honorary Consultant Allergist & Rhinologist, Royal National Throat, Nose and Ear Hospital

“

This conference brings together speakers from academia, industry and from the clinic to explore promising future therapies in allergy and in non- allergic eosinophilic inflammation"
