

IEDEC Announces 2014 Award Winners

SANTA CLARA, CALIF., USA, March 11, 2014 /EINPresswire.com/ -- The Interdisciplinary Engineering Design & Education Conference ([IEDEC](#)) announced the 2014 recipients for the IEDEC Education Awards. These awards honor organizations and educators who exemplify excellence in interdisciplinary engineering design education.

IEDEC Announces 2014 Award Winners.

The Interdisciplinary Engineering Design & Education Conference (IEDEC) announced the 2014 recipients for the IEDEC Education Awards. These awards honor organizations and educators who exemplify excellence in interdisciplinary engineering design education. The following award winners are passionate about quality of engineering education and have demonstrated success in how to achieve it.

[National Instruments Corporation](#)

Education Leadership Award

For incorporating real-world learning experiences in the classroom, laboratory, and dorm room

[Silicon Valley Polytechnic](#) Institute

Education Leadership Award

For commitment to advancing interdisciplinary engineering education

Dr. Daniel W. Lewis, Santa Clara University

Quality Educator Award

For visionary leadership of curriculum development in computer science and engineering

The education leadership awards were sponsored by RedVector, a leader in online continuing education and workforce training solutions.

About IEDEC

The Interdisciplinary Engineering Design Education Conference (IEDEC) is the premier event committed to excellence in interdisciplinary engineering education and creating interdisciplinary programs and products. Conference attendees include educators, mentors, engineers, managers, researchers, students, as well as representatives from industry and consortiums. IEDEC furthers education in engineering design by improving the quality of engineering designers worldwide.

IEDEC is organized and sponsored by the International Society for Quality Electronic Design (ISQED) with technical sponsorship of the IEEE Education Society. For more information visit the conference site at <http://www.iedec.org>
