*WA provider of luxury home designs in Perth offering display home designs for as little as \$198,990.*

PERTH, WA, AUSTRALIA, March 11, 2014 /EINPresswire.com/ -- [National Homes](#), leading builder of luxury home designs in Perth, we're so confident potential home builders would love their designs that they built them all so buyers could experience them up close.

Interested homebuilders can experience an exclusive tour any of their display homes in Perth.

Every design in the company's Signature and Inspiration Series is now available to view throughout the Perth metro area, with prices starting at just \$198,990!

“

We wanted buyers to experience these great homes first hand, and putting the designs on display is the best way to do that.”

*Mark Anderson, National Homes General Manager*

“We wanted buyers to experience these great homes first hand, and putting the designs on display is the best way to do that. It's one thing to pour over 2d floorplans plans, pictures, and samples, but to be able to stand in what might be your new home gives the experience an entirely different feel, and really lets you picture what living in one of our beautiful homes would be like,” said Mark Anderson National Homes General Manager.
