

# Worldwide Parcel Services Reward Loyal Customers with Beneficial Package

*Worldwide Parcel Services are set to reward regular shippers and users of the cheap parcel delivery service with a wide range of benefits, newly introduced.*

LONDON, UK, March 13, 2014 /EINPresswire.com/ --

Worldwide [Parcel Services](#) are set to reward regular shippers and users of the cheap parcel delivery service with a wide range of benefits, newly introduced. If customers make 5 parcel orders or more a month with the delivery service, then they can now apply online to see if they are eligible to benefit from the new 'Preferred Shipper' service put in place this week by Worldwide Parcel Services.

Once the form is completed online, Worldwide Parcel Services will grant you, if successful of course, with a range of benefits. In this range of benefits, customers will automatically receive cheaper and faster WPS Euro Economy and WPS Air Express Services as standard. Also available in the package will be faster booking processes and the ability to ship to and from addresses which are, or will, be stored for the customer. As well, parcel sizes will be stored, a repeat and pre-payment facility will be in place and all shipments and invoices will be stored by the parcel delivery service.

Regular customers will also have the chance to link with a variety of different banners available to the website. For customers who regularly use Worldwide Parcel Services and have a business website, the chance to add a graphic to the checkout or delivery page is now available. This could be important to customers who are looking to build customer trust, with Worldwide Parcel Services having a trust rating of 9.3 out of 10 on Trust Pilot.

Also available now until midnight on the 14th March is a new promo code for customers. Available to all those who spend over £20 on their order is a chance to knock 10% off of the final order price. This special discount is available to customers on the website and can be easily activated at the checkout stage of the order. All customers simply need to do is enter the promo code 'wps10pc' and receive this discount. This discount applies to any parcel you wish to send with us, whether it is a large parcel, a heavy parcel or a damn right awkward shipment, we will delivery it and you'll get this discount as long as it comes to over £20 and is ordered before

midnight 14th March 2014.

Worldwide Parcel Services are one of the UK's cheapest online parcel delivery services working with excellent courier services such as UPS and Interlink, with the recent new low cost, fast and reliable service from Interlink now added. As a service, delivery is available to an untold amount of worldwide destinations including as far out as the USA, China, Australia and New Zealand.

Worldwide Parcel Services are one of the UK's number parcel delivery services, shipping worldwide on a daily basis.
