

# Pre-Filled Syringes Americas Meeting 2014

*SMi Group Reports: representatives over 55 companies will meet in Iselin, NJ, to discuss the latest achievements in the pre-filled syringe marketplace.*

SOUTH ISELIN, NEW JERSEY, USA, March 31, 2014

[/EINPresswire.com/](http://EINPresswire.com/) -- Pre-filled syringes and the coming wave of auto-injectors offer patients the opportunity to manage their own treatments. This also simultaneously vastly reduces care costs for sufferers of chronic illnesses with the potential of saving insurance companies billions of dollars annually. This perfect commercial storm is driving a tide of innovation in the sector, with advances in container materials and device design opening up a wave of biologics and large molecule drugs to self-application.

SMi are bringing together the leading figures from Europe and the US for Pre-Filled Syringes Americas Conference and Exhibition in two weeks' time. This will be the largest gathering of industry professionals ever in the United States and it would be a pleasure to welcome you and your colleagues to this eminent delegation.

Guy Furness, Proprietor and Publisher, ONdrugDelivery Magazine: "Building on the success of their established Annual European Prefilled Syringes conference, it's great to see SMi is off to a flying start with the North American event. A wise choice of location and an intelligently designed program of expert speakers promises to bring together the leading minds and influencers mapping the future of the prefilled syringes sector.

List of attending delegates includes leading experts from over 55 organisations. The SMi Group announced the list of attending companies on the event's website [www.smi-online.co.uk/2014pfs-usa28.asp](http://www.smi-online.co.uk/2014pfs-usa28.asp) Some of the attending organisations include Baxter Healthcare Corporation, Beroe Inc, Bosch Packaging Technology, Bristol-Myers Squibb, GSK, Merck & Co Inc, Noxilizer, Pfizer, rap.ID Particle Systems GmbH, Zeon Chemicals L.P and many more.

REGISTER BY 20TH DECEMBER 2013 AND SAVE \$300 / REGISTER BY 26TH FEBRUARY 2014 AND SAVE \$100
