

Howie Mandel Leaves Jimmy Kimmel Speechless - Gives Him a Little Rooster Clock Vibrator Live on Air

HOLLYWOOD , CA, USA, March 20, 2014

/EINPresswire.com/ -- Howie Mandel achieves the impossible and leaves Jimmy Kimmel speechless - by giving him a Little Rooster [Alarm Clock Vibrator](#) as a baby shower gift for his wife live on air!

Comedian Howie Mandel gave Jimmy Kimmel a highly (in)appropriate baby shower gift for his wife, [Molly McNearney](#), on Jimmy Kimmel Live! Tuesday - a LITTLE ROOSTER ALARM CLOCK VIBRATOR!

Howie Mandel shows Jimmy Kimmel the Little Rooster on Jimmy Kimmel Live!

Little Rooster is the world's first alarm clock to be worn comfortably in the panties and to wake the user with gently increasing vibrations.

Howie said that he chose Little Rooster because it is "something that a lady would enjoy, something different, something special" - leaving Jimmy Kimmel temporarily speechless, murmuring "that's really nice!"

As Howie Mandel put it: "You'll go "Honey, are you up?" and she'll go "I'm coming!"

Contrary to Howie's explanation on the show, Little Rooster is worn entirely externally.

Says Little Rooster inventor Tony Maggs: "Many women experience extremely high [libido during pregnancy](#), making Little Rooster the perfect way to wake. And if Molly McNearney continues using her Little Rooster after giving birth, we can probably expect a second baby from her sooner rather than later!"

Little Rooster, launched in 2011, is USB rechargeable and is available in Original White, Pink Champagne and Black Magic from www.littleroosterstore.com for \$59 including free global shipping. Little Rooster is comfortable, quiet, and has both a snooze and a trademarked "Snorgasm" power snooze and is worn entirely externally.
