

Electrical Wholesaler Becomes UK Leader in Switches and Sockets

Electrical wholesaler The Electrical Counter is proud to offer the widest range of high quality decorative switches and sockets in the UK.

ASHFORD, KENT, UK, March 21, 2014 /EINPresswire.com/ -- Electrical wholesaler, The Electrical Counter, is proud to offer the widest range of high quality decorative switches and sockets in the UK. On offer are a variety of finishes including high quality brushed steel, polished chrome and black nickel finishes for customers to choose from.

Customers will find a safe and functional product through The Electrical Counter's switches and sockets category with illustrious designs complimenting the decor of the area in which the switch or socket is installed.

Launched in 2011, The Electrical Counter's switch and socket range grew by a huge 318% from November 2012 to November 2013. This growth comes from The Electrical Counter's professional, easy-to-navigate website and The Electrical Counter's careful selection of stock able to achieve the best balance of quality, aesthetic appeal and value for money.

The Electrical Counter is proud of their best selling range by Nexus Metal. The BG Nexus Metal Collection is the companies pinnacle in low profile, affordable switches and sockets. Available in various finishes the range offers a sleek, slim outcome for your home. The BG 25 year guarantee will also ensure customers have a total peace of mind when it comes to purchasing within this best selling range. The company's website also offers a top seller page to inform customers of what switches and sockets other customers are purchasing. As well as this, the company run a special offers page with a constant influx of brands and items reduced for customers to pick and choose from.

With the rise in sales of switches and sockets, The Electrical Counter runs an articles and news section on its products. Customers can stay up-to-date on alternatives, Nexus Switches and Sockets and more.

The Electrical Counter is proud to present various other electrical items and services. With over

68 brands available, there are 36 categories of electrical products available online. From heating and cooling, to cables and wiring and other electrical components, The Electrical Counter stocks the entire range to let customers buy without breaking the bank.

If customers aren't able to find the right switch or socket they are looking for then the company provide a contact form in the footer of the website. Customers are able to send their questions or comments direct to The Electrical Counter and receive information on next steps via telephone or email. A direct telephone line to the company is also available on 01233 469228, open Monday to Friday – 8.30am to 5.30pm and Saturdays 9am to 1pm – closed Sundays.

Customer orders above £90 will receive free delivery to England, Wales and Parts of Scotland with a £5.25 ex VAT charge on orders below £90.
