

Hear special keynote addresses from Ukraine Air Force and NATO at Air Mission Planning

SMI's 5th annual Air Mission Planning conference takes place on the 2nd and 3rd June 2014, London, UK

LONDON, UK, March 24, 2014

/EINPresswire.com/ -- The 5th annual [Air Mission Planning](#) conference is the world's leading forum for driving aerial mission planning and support systems. This must-attend event will provide an in-depth analysis on the systems and strategies that will enhance your military capabilities effective for Air Mission Planning.

There will be key presentations and case studies from senior military representatives and NATO officials. In addition there will be essential networking opportunities to facilitate the discussions needed to drive forward Air Mission Planning system adoption.

Join the leading defence forum for mission planning systems and understand and utilize key developments in interoperability, system selection, future planning and cross platform targeting.

Those interested in attending are advised to visit the [website](#) and secure their place to save £300

Hear from our 2 special keynote addresses:

Lieutenant General Sergei Drozdov, First Deputy Commander, Ukrainian Air Force
Presentation on: Armed Forces of Ukraine in international operations

- The main areas of cooperation between Ukraine and foreign countries in the military sphere
- The tasks of the Armed Forces of Ukraine in the international operations

- Conditions and factors affecting the use of the Armed Forces of Ukraine in the international operations
- The impact of the experience of local wars and armed conflicts on the Armed Forces of Ukraine

Diego Ruiz Palmer, Special Advisor to the NATO Secretary General, NATO HQ
Presentation on: Air Mission Planning post-Afghanistan - a strategic-level view

- Lessons learned from joint operations in Afghanistan
- Implications of the transition from a “deployed NATO” to a “prepared NATO”
- Airpower’s role on the way to 2020 and beyond

Our 2 keynote speakers will be joined by a line-up of key military representatives and industry experts from: Effective Direction, Hewlett-Packard Company, Italian Air Force Command, Royal Australian Air Force, Joint Helicopter Command, Warfighting Laboratory, European Defence Agency, Turkish Air Force, French Army, Sri Lanka Air Force plus many more.
