By utilising valuable programs like the First Home Owners Grant in Perth, and the expertise of their in-house finance experts, Easystart Homes offers buyers a limited time only 'Get Started With Only \$3k' offer in Perth.

Easystart Homes understands that the process of purchasing and building a new home can be intimidating, especially for the first home buyer in Perth, so they've stripped away much of the complexity and confusing jargon to offer buyers a chance to own one of their beautiful home designs for as little as \$3,000 up front.

“

We believe that everyone should have the opportunity to build their perfect home, which is why we developed The Easy Solution.”

“We believe that everyone should have the opportunity to build their perfect home, which is why we developed The Easy Solution. With The Easy Solution our goal is to make things truly easy, from initial financing through construction. Here at Easystart homes, all you need is \$3,000 and we take care of the rest,” said Sandra Muller of Easystart Homes ([www.easystarthomes.com.au/](http://www.easystarthomes.com.au/)).

The Easy Solution from Easystart Homes (<http://www.easystarthomes.com.au/3000-offer>) takes much of the stress and confusion out of the home buying process. Easystart Homes helps buyers by working with their in-house financial team to offer the most competitive, low-deposit home loans in Perth. Thanks to their diligence and expertise, with as little as \$3,000, Easystart Homes customers can quickly and easily be on their way to building their dream home.

The Easy Solution program utilises the experts at Keystart Home Loan Finance to secure an affordable loan for buyers. In addition, Easystart Homes' building professionals offer assistance with applying to valuable government programs like the First Home Owners Grant in Perth,

which was recently increased by \$3,000, allowing for up to \$10,000 in government assistance on newly built properties.

"There are programs and opportunities that many new buyers may not even be aware of. Our experience in the industry allows us to offer our customers a unique, insider's perspective on the process that other builders simply can't provide. Because we can assist with financing as well as construction, we're here from beginning to end with our clients, and nothing makes us happier than seeing them get their perfect home at the perfect price," Muller said.
