

Registration Open for “Step Into Something Bigger” Virtual Event, Inspiring 1000s to Make a Living Doing What They Love

No-Cost Registration for the Worldwide Video Conference About Making a Living with More Meaning, Purpose & Passion is Now Open -- for a Limited Time

SAN DIEGO, CA, UNITED STATES, March 28, 2014 /EINPresswire.com/ -- Today, [renowned life coach Jordanna Eyre](#) announced that registration is open for complimentary access to her 7-day “Step Into Something Bigger” Video Conference. Jordanna was voted About.com’s favorite life coach in 2013 and is known as the author of the viral blog post “8 Signs You’re Meant for Something Bigger on This Planet.”

The event will take place April 21-27, 2014 and was created to inspire individuals to get off “the hamster wheel” & start living a life with more meaning, purpose and passion. [Confirmed speakers](#) have been featured in O Magazine, Inc. Magazine, USA Today, on The New York Times Best-Sellers List, Oprah Radio, ABC, NBC and CNN.

Complimentary access to the interviews will close April 28, 2014 after which the full conference recording package will be available for \$197.

As per, Wendy Garrido, co-creator of the event, “Hearing from even just one of these luminaries could be enough to change a person’s life. Getting the inside stories & struggles from all 21 of them will inspire thousands of people in our audience to ignore the voice that says, ‘You can’t’ and start to trust the one that says, ‘You can and you will!’”

At a time when “job security” and “social security” are no longer guaranteed and many Americans are desperate to find solid footing, this event brings a message of hope -- that individuals can not only find steady, sustainable work, but actually make a positive impact in the lives of others while doing what they love.

Participants can [join this video event](#) from anywhere in the world over the phone or internet. Registration is at <http://www.StepIntoSomethingBigger.com>.
