As a recognized digital marketing leader, Magic Logix receives many awards and recognition for their industry contribution each year. 10 Best Design recently awarded Magic Logix the esteemed position of #1 in Drupal Development in the United States for March of 2014.

The award will also join previous awards Magic Logix has obtained from the organization, including custom/responsive web design and search engine optimization. As the only marketing agency in the world that is partnered with Drupal, Joomla and Marketo, Magic Logix understands commitment to each project in conjunction with innovative technology solutions.

"Accepting another award to our growing collection is a huge compliment to the perseverance and dedication of our team to produce the highest quality results. Our tradition of efficient production mixed with the latest in technology is unwavering. We are thrilled to be continually recognized within the digital marketing and web development communities."
