PARKER, ARIZONA, USA, April 1, 2014 /EINPresswire.com/ -- Chanel had been staying at [BlueWater Resort & Casino](#) while in town with her aunt, handling affairs of a close relative's estate. Just hours before her celebrated event, she joined the BlueWater Resort & Casino Players Club. The 26-year-old said her plans would now change, as she would remodel the property to keep for her family Colorado River getaway spot; she is a resident of California.

"First of all, this money will help with the cost of me finishing college," the winner said. "Second, I will have extra money to help my younger siblings along the way since our mom passed last year and I'm the oldest. Third, I'm going to invest in real estate and a few other areas to make the money grow for mine and my family's future... and I'll definitely be back to the Blue Water Casino for a slot or two."
