

IT Governance – the ‘must-visit’ cyber security one-stop shop at Infosecurity Europe 2014 in April in London

IT Governance, is delighted to announce that the company will exhibit at Infosecurity Europe 2014 on 29 April–1 May at Earls Court, London.

ELY, CAMBRIDGESHIRE, UK, April 2, 2014 /EINPresswire.com/ -- IT Governance, the fast-growing cyber security provider, is delighted to announce that the company will exhibit at [Infosecurity Europe 2014](#) on 29 April–1 May at Earls Court, London. Visitors can [register as IT Governance guests](#) and receive a £5 voucher that can be redeemed at stand F103 (just opposite the Business Theatre) during the show.

Alan Calder, Founder and Executive Chairman of IT Governance, says, “This year IT Governance’s presence at the prestigious Infosecurity Europe show will be stronger than ever. Not only are we launching a plethora of new products and services to respond to the ever-changing cyber risk and compliance environment, but we have managed to earn a reputation for ourselves as the cyber security one-stop shop.

“We can talk both business and technology across a wide variety of subject matters (information security, risk management, ISO27001, PCI DSS, data protection, penetration testing and others) and disciplines (books, software and hardware tools, training courses and consultancy services). We are very pleased that clients recognise us for the fact that we can give them the solution that is appropriate for them.”

With an ambitious education programme that covers anything from cyber threats and Cloud security to compliance with data protection laws and PCI DSS, IT Governance is ideally positioned to offer attendees help in any of these areas, whatever their requirements.

Some of IT Governance’s new launches include cyber security training courses, a cyber hygiene health check service, Cloud security and technical testing services.

IT Governance’s guest visitors will have access to:

- 15-minutes’ free consultancy surgeries – these can be pre-booked online to secure a slot - www.itgovernance.co.uk/infosec2014.aspx
- A prize draw for a Kindle Fire HD
- Live demonstrations of vsRisk™ – the risk assessment software
- Live demonstrations of penetration testing with CREST-accredited pen testers
- Over 50 book titles at show-exclusive prices
- Training qualifications Q&As
