

# T3 and Argus International join forces to support the rapidly expanding Aviation Markets in Asia

*T3 (T3 Private Jets Asia Limited) has been named as the "Strategic Partner" for ARGUS International to support the growing Asian aviation markets.*

CENTRAL, HONG KONG, April 4, 2014 /EINPresswire.com/ -- Hong Kong – April 2014 – T3 (T3 Private Jets Asia Limited) has been named as the "Strategic Partner" for ARGUS International to support the growing Asian aviation markets. "We are very happy to have been chosen by ARGUS and are honored to be their partner here in Asia. This strategic partnership will significantly reduce the costs and timeframes to complete an ARGUS audit in Asia and will support the growth of aviation by providing regional service and quick access to all of the ARGUS offerings" says Mark Thibault, Managing Partner of T3.

T3 Private Jets Asia Limited and ARGUS International have joined forces to support the aviation industry here in Asia at a new level. Our approach is fresh and our partnership underscores ARGUS International's commitment to our mutual Asian clients and T3's ability to deliver these services and products to Asia, at significantly reduced costs by utilizing resources already in the region. ARGUS and T3 have formed a pact to develop Asian resources and deliver the highest quality services and products offered in line with international standards, for which both companies are well known to uphold.

"Please join me in welcoming the ARGUS team and brand to Asia as a permanent and integral component of our aviation community and a staunch supporter of the highest international standards and industry best practices." says Thibault.

"ARGUS has been working in the Asian market for quite sometime and realized that a strategic partner in the region would foster even greater, more efficient access to our proven aviation solutions." said Joe Moeggenberg, President and CEO of ARGUS. "We were so impressed with what Mark Thibault and his team has done, in regards to their aviation services business throughout Asia that it was an easy decision for us to partner with them. T3 absolutely mirrors ARGUS' commitment to offering the best audit and aviation safety services from the most professional and experienced people." says Moggenberg.

ARGUS International, Inc. (ARGUS) is a specialized aviation services company with global expertise whose mission is to provide the aviation marketplace with the information needed to make informed decisions and manage risk. ARGUS services include the CHEQ proprietary charter operator rating and due diligence program, TRAQPak market intelligence data and research services, and aviation consulting. ARGUS subsidiaries include ARGUS PROS, the leading provider of on-site safety audits and PRISM, the industry's most advanced SMS (Safety Management Systems) solutions provider and recognized certification consultant. Founded in 1995, ARGUS is headquartered in Cincinnati, OH, and actively engaged with business activities in North America, Europe, Australia, Asia, South America and the Middle East and Africa.

T3 Private Jets Asia Limited is Asia's first consultancy company to offer aircraft Owners, Operators, and Service Providers an unbiased and objective oversight solution for the purchase, sale, delivery, maintenance and operations of aircraft through financial and operational audits and constant surveillance. In 2013 we launched our Hong Kong based company in response to ever-increasing requests for a turnkey support solution that ensures our client's best interests are at the forefront and

that management companies, vendors and service providers are acting ethically, responsibly and are in keeping with industry standards and best practices.
