

# Worldwide Parcel Services Ship to Over 200 Worldwide Destinations

*Worldwide Parcel Services are working alongside three major courier services to ensure cheap and efficient parcel delivery to over 200 destinations worldwide.*

LONDON, UK, April 7, 2014 /EINPresswire.com/ -- Worldwide Parcel Services are working alongside three major courier services to ensure cheap and efficient parcel delivery to over 200 destinations worldwide. Working in conjunction with major players in the industry such as UPS, DHL and Interlink Express, Worldwide Parcel Services offers a delivery method via either air or land for customers choosing the service.

Customers have the choice to send parcels to locations with deliveries taking place in excellent time. For example, customers sending a [parcel to Australia](#) can choose from three couriers including the WPS Air Express service which is the cheapest option, delivering in 2 – 5 days. If customers want their parcel to Australia delivered a little bit quicker, then they can choose to have UPS or DHL deliver in 2 – 4 days for a little bit more money.

As well as far out delivery to destinations such as China, USA and Canada, Worldwide Parcel Services operates delivery to all European destinations. Customers sending a parcel to France, Worldwide Parcel Services most popular destination of 2013, can choose from four services, starting from as little as £13.99. The cheapest WPS Euro Economy Service will take between 2 – 4 days to be delivered, with the super fast UPS Express Saver reaching its destinations in 1 – 3 days.

Further parcel services apply depending on where customers are sending a parcel. Customers seeking next day delivery can choose this option on all parcel deliveries staying within mainland UK. This is Worldwide Parcel Services standard service for parcels being delivery within the UK from a UK address, ensuring the parcel arrives as soon as possible. With deliveries to Northern Irelands it can take customers between 1 and 2 days, with the Highlands and Islands taking between 2 – 5 days.

In some circumstances, same day delivery is possible. The parcel service is able to offer this if the

collection and delivery address are in a certain mile radius. Customers are able to fill out a form online and one of the company's representatives will be in touch to see whether this service applies to the delivery situation. Whether you are sending a parcel to Australia, France or within the UK, the company can offer same day collection to everyone. If customers book their order before 12 noon, the parcel will be picked up that day.

Worldwide Parcel Services have been mentioned as one of the cheapest delivery services to international destinations by Money Saving Expert's founder, Martin Lewis. Lewis gave examples of Worldwide Parcel Services cheap offers on ITV's daybreak and on his website. As well as this, the company currently operate at an excellent 9.2 out of 10 score on the popular online review center, Trust Pilot, with reviews available online at Worldwide Parcel Services.

Worldwide Parcel Services offer cheap delivery service to worldwide destinations. The company work with couriers such as Interlink, DHL and UPS to ensure on-time and efficient delivery in all circumstances.
