TransNexus, top developer of VoIP network management software, is pleased to announce that it will be one of the sponsors of the fourth annual ACN Ronald McDonald House Celebrity Golf Tournament, which will take place on May 5, 2014. This event, made possible by ACN Global Reach Charities, brings together nearly 150 golfers and celebrities from across the U.S. for a day of golf at Trump National Golf Club in Mooresville, NC. The tournament raises much-needed funds for the Ronald McDonald House of Charlotte – a home away from home for families with sick children, with 100% of all proceeds going directly to the house.

ACN Global Reach Charities and has long been a supporter of the Ronald McDonald House Charities and of the House in Charlotte. In 2008, the company chose Ronald McDonald Houses as its global charity and began collecting donations for the local Ronald McDonald House chapter at each of its quarterly training events held throughout the world raising millions of dollars for this worthwhile charity.

"We are truly honored to be working with such a great charity event," TransNexus President Jim Dalton said. "We want to continue to do great things in the Southeast, and this sponsorship helps us with that goal."

Last year's event raised a record-breaking \$219,000 – 100% of which went directly to the Ronald McDonald House of Charlotte. And with the help of the local community, ACN and TransNexus are confident that number can be exceeded this year.
