Love Is All You Need [natural, handcrafted soap bars](http://www.zoenaturalcreations.com) from Zoe Natural Creations (www.zoenaturalcreations.com) will be included in The Artisan Group® Earth Day 2014 Celebrity Gift Bags, which will be delivered on or around April 22 to some of Hollywood's most eco-conscious

Says Shawna Wilkinson, owner of the South Carolina-based all natural, [handcrafted body care product](#) company, "I'm constantly inspired by the amazing smells, colors and textures that nature provides. The Earth's bounty is integral to what we do here at Zoe Natural Creations and that's why we use all natural, sustainable oils and butters and whenever possible, organic, as well as naturally derived versus synthetic coloring agents."

Shawna handcrafted 30 bars of her Love Is All You Need soap using the traditional cold process method. The bar has a distinctive earthy scent which comes from patchouli, orange, tea tree, lemongrass and clove essential oils. The light-colored swirls are made with madder root, alkanet root, annatto, chlorophyll and indigo.

"At Zoe Natural Creations, we have over 25 varieties of bar soaps," remarked Shawna. "I chose Love Is All You Need because it smells amazing and it's popular with both men and women. It's also terrific for helping to keep your skin soft and moist. Although only present in small amounts,
