One of the UK's top online distributors of inflatable hot tubs has added a new range of tubs to its already successful category. Produced by one of Splash and

Relaxes top brands Intex, comes the PureSpa range of inflatable hot tubs starting from just £549.99. The range includes two hot tubs, with the PureSpa Bubble being the cheaper of the two. At £889.99, customers can purchase the PureSpa Jet inflatable hot tub from Intex.

The Intex PureSpa Bubble inflatable hot tub has been added to the website to deliver ultimate hot water relaxation. The inflatable hot tub can easily accommodate up to four people, making it ideal for family and friends. The tub has 120 high performing bubble jets in the base of the interior which are said to provide an invigorating massage experience. The PureSpa Bubble is also built with a control panel making it simplistic to use with a heating system available to adjust to your needs.

At over £300 more, the Intex PureSpa Jet inflatable hot tub features 4 high powered massage jets and a superb control panel. The inflatable hot tub is built with puncture resistant 3-ply laminated material and has an insulated cover to minimise heat loss. Customers will enjoy combining hot water relaxation with an invigorating massage, catering for up to four people. Splash and Relax also include a generous package with their new inflatable hot tub range. This includes a DVD for set-up, filter cartridge, chemical floater and delivery for free. Industry leading warranty and first class UK technical support are also included when customers purchase the new Intex range of inflatable hot tubs.

The inflatable hot tubs range at Splash and Relax already contains the successful [Lay-Z Spa](#) range. In 2013, Splash and Relax sold over 80 Lay-Spa inflatable hot tubs, and the coming summer months are set to see high demand for the popular hot tubs, too. Starting at £358.95

and rising to £644.99, three models are available to buy online. These include the Lay Z Spa Vegas, Monaco and Miami inflatable hot tubs. All which are high quality inflatable hot tubs built by popular inflatable producers Bestway. The tubs are ideal for use in customer's gardens, holiday homes or in campsites.

Splash and Relax have also introduced an inflatable hot tub buying guide in the section on their website. For customers dwelling over what inflatable hot tub is right for them, they can use this guide to decide exactly what one suits them, their property and their needs.

Splash and Relax is a provider of home and leisure products, including swimming pools, hot tubs, sledges and much more.
