The builder helps buyers become first home owners in Perth with in-house financing, affordable house and land packages, and innovative home designs.

"For as little as \$3000 upfront more families can secure a new home sooner than they would have otherwise been able," said Mark Anderson Commodore Homes General Manager (www.commodorehomes.com.au).

Commodore Homes specialises in designing unique home and land packages that meet the needs of any family. The builder has access to some of Perth's most exclusive land, making the packages even more attractive to first home buyers in Perth. The builder's home designs range from three to five bedrooms, perfect for growing families.

“

Our partnership with The Loan Company allows us to offer our clients several finance options for as little as \$3000 upfront.”

Mark Anderson Commodore Homes General Manager

"Our partnership with The Loan Company allows us to offer our clients several finance options for as little as \$3000 upfront. Homebuyers will work with our own in-house finance specialists to find the loan that works best

for their situation. Everything is handled in-house, which streamlines the process and makes

things move more smoothly," noted Anderson.

Commodore Homes' ability to offer both in-house financing and the actual construction of new homes helps streamline the home buying process. The all-in-one service approach allows buyers to focus their attention on choosing a [home design](#) that fits within their budget

Commodore Homes has been helping first home owners in Perth for nearly 20 years. The company prides itself on its' flexible and creative approach to home building', which allows buyers to obtain the home that works best for their family. The builder has a strong commitment to quality, offering several construction guarantees and a demonstrated commitment to energy efficient building. Commodore Homes has been repeatedly recognised by the Master Builders Association and the Housing Industry Association for their home designs.
