

# Comarch Success Stories in Belgium presented at the Polish-Belgian Forum on Investments

*Comarch was honored to participate in the Polish-Belgian Forum on Investments as the example of an innovative Polish company on the Belgian market.*

KRAKOW, POLAND, April 17, 2014 /EINPresswire.com/ -- [Comarch](#) was honored to participate in the Polish-Belgian Forum on Investments as the example of an innovative Polish company on the Belgian market. Comarch is dynamically developing its activities in Benelux and its recent successes were recognized by the Embassy of Belgium in Warsaw.

'It is great to observe dynamic activities of Comarch in Belgium and to follow its recent successes in such groups as [ERGO](#), [Delta Lloyd Life](#) or KPN.

Comarch is one of the most innovative Polish companies on the Belgian market offering IT solutions for all the industries. Therefore, we were pleased to welcome Comarch for the first time on the Polish-Belgian Forum on Investments to present its growing business in Belgium. We also look forward to the further development of Comarch in Belgium as well as in other Western European countries', says Nicolas Neve de Mevergnies, Economic and Commercial Attaché at the Embassy of Belgium in Poland.

The Polish-Belgian Forum on Investments welcomed such distinguished guests as Mr Janusz Piechociński – Deputy Prime Minister and Minister of Economy of Poland, Mr Johan Van Dessel – Director General at the Ministry of Foreign Affairs, representing the Minister of Foreign Affairs of Belgium and Mr Stanisław Majman – President of Polish Information and Foreign Investment Agency. The event that took place on the 9th April 2014 at the Ministry of Economy of Poland was an excellent opportunity to discuss the investing possibilities in Belgium as well as promote the further growth of Comarch at this market. Among others, Piotr Reichert – Vice-President at Comarch made a presentation on Comarch activities in Belgium that was very well received by the Forum participants.

'Our company is perceived as a pioneering IT challenger at the Belgian market. Comarch has a competitive advantage in Belgium thanks to the uniqueness and flexibility of our products. Belgians are open for innovation. They look for the stable partners and high-quality solutions, therefore Comarch perfectly meets their expectations. We have entered this market in the recent years and successfully gained relevant clients. Currently, Comarch is a well-established company in Belgium with its sales, project and consulting teams and looks forward to the further expansion in this country',

underlines Wojciech Pawluś, Country Manager, Belgium, Comarch.

Comarch actively develops its activities in the Benelux region where it focuses on the promotion of IT solutions for all industries, including banking, insurance, telecommunications, retail and consumer products, transport & tourism, automotive, logistics and healthcare.
