

Centra Homes, In Its Second Full Year In Business, Was The Largest Minnesota Home Builder In 2013

MINNEAPOLIS, MN, USA, April 21, 2014 /EINPresswire.com/ -- [Centra Homes](#) of Minneapolis was the largest new home builder in Minnesota in 2013. The Minnesota based home builder pulled more permits than any other state-based Home Builder and grossed over \$36 million in revenue.

We've experienced phenomenal growth these last two years, which I attribute to the quality of our homes and the customer experience that we provide."

Dale Willis, Centra Homes

Centra Homes was Minnesota's largest in-state home builder in 2013 and is planning to build on that momentum. Just two years into existence, the home builder has been issued [more building permits](#) than any other Minnesota home builder and saw revenues climb over \$36 million last year.

"We've experienced phenomenal growth these last two years, which I attribute to the quality of our homes and the customer experience that we provide. A home is a major

investment and buyers want to be sure they're getting their money's worth. At Centra Homes, they certainly do! The fact that we're pulling more permits than any other builder in Minnesota is a testament to how much homebuyers value these services," said [Dale Wills](#), CEO, Centra Homes (www.centrahomes.com).

Centra Homes' housing developments are located throughout the Twin Cities metro area as well as Western Wisconsin. The new home builder in Minnesota specializes in spacious family homes that are available in a variety of styles. As the largest Minnesota based home builder, Centra Homes is able to leverage their national buying power to get the best prices on building components. These cost-savings are then passed on to their customers. It is management techniques like this that the builder feels gives Centra Homes an edge over the competition.

"We're looking forward to future growth and continued success in the Twin Cities. The market has been very receptive to our homes, so we must be doing something right. We plan to keep giving the public what they want which is value-packed family homes," said Wills.
