Achieving the highest possible customer satisfaction rating of 5 stars for four straight years has earned [Richard F. Hall Custom Homes LLC](#) the prestigious Talk of the Town Customer Satisfaction Award again in 2014 in the Home Builders & Developers category.

The Talk of the Town Awards, presented by Talk of the Town News, honor companies and professionals that provide excellent customer service as reported by their customers through no-cost, user-review websites, blogs, social networks, business rating services, and other honors

and accolades. This data is analyzed by a team of researchers who calculate a company’s CM Power Rating™. Only those that receive a 4-star to 5-star rating receive the Talk of the Town Customer Satisfaction Award.

Each home created and built by custom home builder Richard F. Hall Custom Homes is unique and feels like a work of art. Owner Richard F. Hall stands behind his work and is proud of his crew, which he has hand picked over the years to execute the construction of the finest built homes in the New Jersey shore area — prestigious homes that incorporate the finest in both old and new materials.

To continue providing customers with the highest quality of work, the company has increased its team, adding more skilled carpenters and a new in-house painting division.

Customer service is a pinnacle of the business, which is based on referrals. “Richard F. Hall Custom Homes LLC stands behind its work above and beyond the local standard,” says Hall. “If a rare situation arises where something needs attention, it is addressed and corrected immediately. The goal is always to have and keep a satisfied customer.”

A new program being implemented by the company aims to continue the high level of service to

which customers have become accustomed. "We can monitor your vacation home in your absence to give you added comfort living in the shore area," says Hall.

Winning customer satisfaction awards such as the Talk of the Town Award, says Hall, is a testament to his achievement of his personal goal — to be known and considered as one of the best builders available. "I do what it takes to be sure clients feel confident that they've selected the very best when they choose Richard F. Hall Custom Homes LLC to create their dream home," says Hall. "Not only because they received the best materials and workmanship, but also because they have gained a friend and someone who is always available for their building needs in the future."

Winning four consecutive Talk of the Town Awards speaks highly for Hall and his team's work, demonstrating that the company has a host of satisfied customers. "Winning the Talk of the Town Award again gives us an increased sense of pride in our work and great satisfaction in knowing that our efforts have not gone unnoticed," says Hall.

"I would like to personally thank all my customers for their trust and confidence in our company, and I promise to continue to strive for excellence," says Hall.
