

SGS AT THE NEXT WORLD CUSTOMS ORGANISATION IT CONFERENCE 5-7 MAY 2014

SGS WILL EXHIBIT AT THE NEXT WCO IT CONFERENCE THAT WILL TAKE PLACE IN BRISBANE ON MAY 5-7.

BRISBANE, AUSTRALIA, May 1, 2014 /EINPresswire.com/ -- SGS experts, accompanied by PPP companies from Ghana, Madagascar and Mozambique will show company's wide portfolio of services for the international Customs and trade market in booths 2-5.

The WCO IT Conference is a yearly, international platform where decision-makers from more than 100 countries are brought together to discuss the implications of IT in international trade.

SGS SERVICES FOR CUSTOMS

At SGS, we work with technology partners who specialize in developing solutions for Governments and who understand the complexities of automating the supply chain:

- Single Window services : SGS has created solutions to streamline and secure trade transactions all over the world. Single Window solutions allow trade stakeholders to interface electronically, submitting and distributing documents including customs declarations, import/export permit applications, manifests and certificates of origin to accelerate and secure the supply chain.
- Tracking services : SGS has created OMNIS, a real time tracking solution that keeps goods moving and maintains their integrity as they travel through different territories, across countries and between customs controlled areas.

Please join us in Booth 2-5, to learn more about the benefits of SGS expertise and services for Customs.

Venue: Sofitel Brisbane Central
