

# Revert Successfully Completes Annual OHSAS 18001 Surveillance Audit

BOULDER, CO, USA, May 1, 2014 /EINPresswire.com/ -- The assessment ensures that Revert's Occupational Health and Safety Management System (OHSMS) continues to meet all elements of the scope of registration and effectively conforms to the requirements set forth in the [OHSAS](#) 18001:2007 International Standard.

Revert, Inc., a global leader in delivering on-site data [sanitization](#) and enterprise IT asset [disposition](#) services, has been recommended for continued registration for the third of their three international certifications: OHSAS 18001:2007 for occupational health and safety, after a rigorous external surveillance audit conducted by National Quality Assurance (NQA). The assessment ensures that Revert's Occupational Health and Safety Management System (OHSMS) continues to meet all elements of the scope of registration and effectively conforms to the requirements set forth in the OHSAS 18001:2007 International Standard.

Successfully maintaining our OHSAS 18001:2007 certification clearly demonstrates our ongoing commitment to the safety, health, and well-being of our employees, our partners, and our customers."

*Glenn Jacobsen*

"Successfully maintaining our OHSAS 18001:2007 certification clearly demonstrates our ongoing commitment to the safety, health, and well-being of our employees, our partners, and our customers," said Glenn

Jacobsen, Chief Operating Officer. "Our continued focus on process improvements will ensure that we maintain safe and healthy workplace."

About Revert, Inc. Revert, Inc. is a global leader in delivering on-site services that focus on the two primary risks associated with enterprise IT asset disposition: data security and electronic waste management. Revert delivers services to thousands of customers worldwide. Revert's customers include financial institutions and healthcare companies ranking in the top 20 of the Global 2000. Revert is a privately-held company headquartered in Boulder, Colorado, with wholly-owned subsidiaries in Toronto, London, and Hong Kong.
