

Nick Nanton Endorses David Lorms, Lorms Ins Services

Nick Nanton, Emmy Award Winning Director, Author of several Best-Selling Books, has endorsed David Lorms, Award Winning Insurance Agent and Best-Selling Author

HOUSTON, TX, USA, May 3, 2014 /EINPresswire.com/ -- Nick Nanton, 3 time Emmy Award Winning Director, Author of several Best-Selling Books, Lawyer and CEO, has endorsed [David Lorms](#), President of [Lorms](#) Insurance Services.

Nanton says "If you need insurance from somebody, there is no one better to call than David Lorms. He is full of integrity, he's a Best-Selling Author, he's done lot's of cool things, and most importantly, he'll answer your call and get you what you need at the best price with integrity." Lorms authored a best selling book [Change Agents](#), co-authored with Brian Tracy. The book hit Amazon's list at #2 the same day it was released. He also writes a blog.

Lorms, a former Claims Adjuster and Manager, owns his own insurance Agency, serving the entire state of Texas. He feels so strongly about customer service, that he rolls all calls from his office to his personal cell phone after hours. "Anyone can sell you insurance, but it's when you need to use it that you really count on an expert being there to support you" Lorms says.

Some of the cool things Lorms has done is support the March of Dimes, Cell Phones for Soldiers (where sell phones are collected for minutes to give to soldiers to use to call their families) and founded a Perfect Attendance Award Program at local elementary schools that incentify students for having perfect attendance during the schools semester. "The state pays the schools based upon attendance, yet the schools don't have money in their budget for such a program. I can help, by giving the schools money for incentives, increasing attendance and money from the state to the schools, and the students perform better being in school everyday It's a win-win!" according to Lorms.
