[Gold Bronze Bracelets](#) with Birthstone Charms will be gifted to Hollywood mothers and moms-to-be in an exclusive The Artisan Group® 2014 Mother's Day Gift Bag.

Several months after appearances on the CW Network's "The Vampire Diaries" and at the 2013 Primetime Emmys, the handcrafted jewelry of Kathryn Designs ([www.kathryndesignsjewelry.com](http://www.kathryndesignsjewelry.com)) continues to be visible in Hollywood.

Most recently, the company's [Bronze and Pyrite Necklace](#) was worn by Aunt Winifred (Anne Ramsay) on Episode 318 of the CW Network's "Hart of Dixie." Additionally, You Are My Heart Golden Bronze Bracelets will be included in an exclusive The Artisan Group® 2014 Mother's Day Gift Bag, being delivered to some of Hollywood's most talked about mothers and moms-to-be in time for the May 11 holiday.

The Bronze & Pyrite Necklace was designed and handcrafted by Kathryn Doll especially for "Hart of Dixie." The pendant was created with a graceful cut out design and simple round ball embellishments. The surface has a satin, matte finish that is highlighted by raised areas polished to a high shine. A shimmering 8mm black and silver pyrite cabochon adds to the mystical, artifact quality of the piece.

Pyrite is a mineral associated with fire energy, warmth, vitality, and confidence. Also known as Fool's Gold, pyrite is considered a protective stone that can help one tap into abilities and potential.

Says Kathryn Doll, designer/owner, "This is a free-spirited, [bohemian necklace](#). It has a unique combination of modern and ancient design elements and a slightly rustic finish that

as gifted to Hollywood Moms for Mother's Day 2014

complements the understated glamour of the piece.” The necklace can be ordered at [www.kathryndesigns.com](http://www.kathryndesigns.com); it retails for \$70.00.

The You Are My Heart Gold Bronze Bracelets with Birthstone Charms were also designed and handcrafted especially for the 2014 Mother’s Day Gift Bag, which will be delivered to Jaime King, Alicia Silverstone, Jennifer Love Hewitt, Tammin Sursok, Halle Berry, Rachel Leigh Cook, Kendra Wilkinson, Gwen Stefani, Kerry Washington, Kristin Cavallari, Drew Barrymore, Mila Kunis, Alyssa Milano, Emily Blunt, Kelly Clarkson, Ginnifer Goodwin, Olivia Wilde, Christina Aguilera, Scarlett Johansson, Jenna Fischer, Ciara, Shelly Brown (Mrs. Zac Brown), Molly McNearney (Mrs. Jimmy Kimmel), Elsa Pataky (Mrs. Chris Hemsworth), and Danielle Jonas (Mrs. Kevin Jonas).

Remarked the designer, “I wanted to create a piece of jewelry that represents love and connection, with a personalized element. I was also thinking how busy Moms, and all women really, love a versatile piece of jewelry they can turn to for almost any occasion.” Kathryn personalized the gifted bracelets to include the birthstone(s) of either the mother, the mom-to-be or her children.

The You Are My Heart Bracelet retails for \$60.00. It is available with or without charms and can be ordered at [kathryndesignsjewelry.com](http://kathryndesignsjewelry.com).

Kathryn’s Artifact Amulet Necklace in Smoky Quartz and Bronze was worn by Mia (Taylor Treadwell) on Episode 512 of the CW Network’s hit show, “The Vampire Diaries.” The episode aired January 30, 2014.

#### ABOUT KATHRYN DESIGNS JEWELRY

Kathryn Doll, the artisan behind Kathryn Designs ([www.kathryndesignsjewelry.com](http://www.kathryndesignsjewelry.com)), has been fascinated with creating jewelry since she pierced her Barbie Doll's ears with a beaded straight pin as a child. Kathryn and her sister decided the occasional scratch from a pin sticking out of Barbie's head was an acceptable risk in the name of adornment.
