

SteamMaster Named a Winner for 2014 BBB Torch Awards for Ethics

Vail Valley's First Company to Win the Coveted Award for Business Ethics

MINTURN, COLORADO, UNITED STATES, May 2, 2014 /EINPresswire.com/ -- [SteamMaster](#) Restoration and Cleaning LLC, a DKI member company, is a winner of the 16th annual Better Business Bureau Serving Northern Colorado and Wyoming Torch Awards for Ethics.

SteamMaster is a 24 Hour Water and Fire Damage Emergency Service restoration company serving in the central Colorado Rockies since 1978. SteamMaster also provides mold remediation and specialty cleaning services.

BBB Torch Awards, a program of the BBB Institute for Marketplace Trust's Center for Character Ethics, recognizes businesses that demonstrate exemplary business ethics as evaluated by the six TRUST! principles of Ethical Enterprising.

"It is a tremendous honor to be the first company recognized in the mountain region over the last 16 years to win this coveted BBB Torch Award for Ethics, says Gary Gilman, President and Owner of SteamMaster. "The credit goes to our team members for consistently conducting business within the principles outlined for this award," added Gary.

"On behalf of our team, we thank BBB for this recognition and look forward to supporting them with 'In Pursuit of Ethics' interactive program for high school students in our local area," said Raj Manickam, CEO of SteamMaster. "We also congratulate the students of University of Northern Colorado for their winning paper submitted on SteamMaster," said Raj.

Peers, colleagues and customers nominate businesses for the award and business students at the University of Northern Colorado, Colorado State University and the University of Wyoming prepare entries. An independent panel of judges selects the winners.

About SteamMaster Restoration and Cleaning, LLC

SteamMaster is the leading restoration and specialty cleaning company serving in Vail, Breckenridge, Aspen and surrounding mountain communities for over 36 years. SteamMaster's commitment and striving for excellence is achieved through training, cutting-edge equipment and consistency in getting customer feedback.
