In honor of Mother's Day 2014, Flirt & Flutter Jewelry (<http://www.flirtandflutter.etsy.com>) is gifting its This Little Piggy Customized Footprint Heart Necklace to some of Hollywood's most talked about Mothers and

Moms-to-Be. The jewelry will be included in a collaborative Mother's Day 2014 gift bag being prepared by The Artisan Group®. The gift bag will be delivered in time for the May 11 holiday.

Gift bag recipients include Jaime King, Alicia Silverstone, Jennifer Love Hewitt, Tammin Sursok, Halle Berry, Rachel Leigh Cook, Kendra Wilkinson, Gwen Stefani, Kerry Washington, Kristin Cavallari, Drew Barrymore, Mila Kunis, Alyssa Milano, Emily Blunt, Kelly Clarkson, Ginnifer Goodwin, Olivia Wilde, Christina Aguilera, Scarlett Johansson, Jenna Fischer, Ciara, Shelly Brown (Mrs. Zac Brown), Molly McNearney (Mrs. Jimmy Kimmel), Elsa Pataky (Mrs. Chris Hemsworth), and Danielle Jonas (Mrs. Kevin Jonas).

Each Footprint Heart Pendant was handcrafted by Flirt and Flutter Jewelry designer/owner Kaleen Wolfe using recycled fine silver and includes an imprint of tiny footprints. The pendants are hung from an 18" sterling silver cable chain.

When asked about the inspiration for this special gifting, Kaleen relates that Flirt & Flutter Jewelry started soon after the birth of her first son, Silas, in 2009. While Kaleen began her jewelry making career with beading and wire-wrapping, she soon moved her focus to PMC, or Precious Metal Clay.

"The very first piece of customized print jewelry I ever made included my 3-month-old son's tiny fingerprint, a Christmas gift for my mom (or Silas's Meme!) After this first fingerprint, I branched

out into other keepsake styles, including baby footprints and hand prints. The footprint heart, which I gifted to the celebrities for this event, is a signature Flirt & Flutter Jewelry piece that is one of my most popular pieces. The combination of custom footprints – often from the baby's first hospital ink prints – and a heart create a lasting reminder of such a sweet milestone."

While Kaleen gifted a general set of footprints to the celebrities, the actual necklace that she sells is custom-made for each customer. Kaleen works from scanned and emailed or even photographed and texted images of footprints.

Flirt & Flutter This Little Piggy Footprint Heart Necklaces retail for \$177.00 and can be custom ordered (using the mother's own child's footprints) on the Flirt & Flutter Jewelry website. The necklace is part of the Flirt and Flutter Baby Prints Collection.

Flirt & Flutter's [personalized silver jewelry](#) has garnered the coveted 5 star rating on Etsy and has been mentioned in "The New York Post," the "Huffington Post" and "FOLK" magazine. The company's jewelry has been included in holiday gift guides on "Yahoo! Shine," "USA Today," "CBS New York" and the "New Jersey Star-Ledger." Kaleen has been interviewed on Central PA Live regarding her participation in GBK's Luxury Gift Lounge for the 65th Annual Primetime Emmy Awards.

Most recently, Flirt & Flutter's Recycled Silver Pressed Flower Necklaces were sent to co-conscious Hollywood celebrities, including Emma Watson, Drew Barrymore and Jessica Chastain, as part of a The Artisan Group Collaborative Gift Bag in Honor of [Earth Day 2014](#).
