NEW YORK, USA, May 8, 2014 /EINPresswire.com/ -- Mourner's Lane, a unique [virtual cemetery](#), is excited to announce a 30 percent off charter membership available for a limited time only. Anyone who signs up for membership at Mourner's Lane between May 10 and May 31 will receive 30 percent off their first annual membership fee and access to a lifetime of memories of loved ones they wish to preserve in virtual memory.

Mourner's Lane members can start the process through the newly-launched Mourner's Lane website. Developed by Webmaster Studios, Mourner's Lane invites members to create a virtual resting place for their loved ones or even a family pet. Owners Steven and Jane created the site out of passion, wanting to extend the virtual experience to others who may struggle with closure or simply want an opportunity to celebrate the life of a loved one.

Mourner's Lane is a whole new concept that leverages the power of cloud computing with the desire to hold on to those lost. With the launch of the interactive website with social engagement elements at the forefront, members can treasure memories of a loved one who has passed away without leaving the comfort of their own home. When cemetery visits are challenging due to location or even public attention, Mourner's Lane offers an experience that is both meaningful and private, if desired.

Unlike obituaries online, the Mourner's Lane virtual cemetery takes the experience one step further. Mourners can create and enjoy a more thorough view of the loved one's life to preserve for generations. Plus, members can take the experience to the social level, inviting friends and family to join the page of the honored loved one to share stories, photos and even videos.
