PERTH, WEST AUSTRALIA, AUSTRALIA, May 12, 2014 /EINPresswire.com/ -- Would-be homebuyers who look forward to entertaining in their new home should visit [New Generation Homes' The Gateway](#) display homes in Baldivis or Millbridge Private Estate. The four-bedroom home features an open-plan living/dining/kitchen area, which opens up onto a massive 7080x4800 alfresco and adjacent entertainment room. No longer relegated to the kitchen, hosts can interact with their guests and keep an eye on anything that is cooking at the same time.

“

The Gateway is perfect for larger families, families who entertain, or those who have frequent house guests.”

Sandra Muller of New Generation Homes

The Gateway is one of the larger new homes in Perth that are designed for wide blocks. A minimum block width of 17.01m is required for 2 car garage home designs. A triple garage option is also available which pushes the minimum block width to 19.04m. The triple garage home is on display in the South West at Millbridge Private Estate.

"The Gateway is perfect for larger families, families who entertain, or those who have frequent house guests. The heart of the home is the massive main living area, but what makes The Gateway really stand out are the adjacent

alfresco and entertainment rooms. These two areas easily double the amount of entertaining space available and make it easy for guests to roam in and out of the home during a party," said [Sandra Muller](#) of New Generation Homes (www.newgenerationhomes.com.au).

This entertaining and main living area is located to the rear of the home. Bedrooms are located towards the front. The minor bedroom zone includes three bedrooms, clustered around a full bath, a walk-in storage closet, and an Activity Room which could also double as a Home Theatre. Across the hall, the 4330x4190 master suite features a private en-suite, including a walk-in wardrobe.

The Gateway is available as one of New Generation Homes' Home and Land Packages in Perth. First home buyers can take advantage of the \$10,000 First Home Owners Grant in Perth to get into this beautiful home.

The 2-car garage Gateway is on display in the Metro at The Rivergums, located at 22 Magenta Crescent, Baldivis, WA, 6171. It is open Monday and Wednesday from 2pm-5pm, and Saturday, Sunday, and Monday Public Holidays from 1pm-5pm.
