

Hudson Integrated Web Agency Selected as one of the Leading NYC Web Design and Development Companies

New Jersey Web Design, Development and Digital Marketing Agency Chosen as one of New York City's Leading Web Design Agencies by SourcingLine

SADDLE BROOK, NJ, USA, May 14, 2014 /EINPresswire.com/ -- In recognition of its quality work and excellent services, Hudson Horizons has been named one of the leading New York City Web design and development companies by SourcingLine, a research firm focused on providing quantitative analysis on leading services firms. The list for [top Web design firm](#) category encompasses agencies that excel in Web design, Web development, and/or E-commerce development.

The purpose of SourcingLine's research on New York City's top Web design companies is to provide useful information on the local B2B markets for talented design and development firms. As one of eleven companies represented in SourcingLine's prestigious research on top Web design companies, Hudson was chosen for its [excellent web design services](#) and positive client references.

According to Natalie Beach, Analyst at SourcingLine, "Businesses in New York need not look far for talented design and development firms to partner with."

Since its inception in 2003, Hudson has been delivering outstanding, custom-made websites and creative, cutting-edge Web marketing solutions to its clients to ensure that they maintain a strong digital presence. As a result, Hudson's ability to provide comprehensive solutions and unsurpassable work has made the company an excellent partner for many leading brands.

"They are very personable. That's why we actually chose them," says the IT Manager of [Numrich Gun Parts Corporation](#), a global brand supplying firearm parts and accessories.
