*Easystart Homes' The Vibe is the latest must-see home in new construction. The Vibe is available as one of the builder's Home & Land Packages in Perth.*

PERTH, WA, AUSTRALIA, May 19, 2014 /EINPresswire.com/ -- PERTH, AUSTRALIA -- The Vibe by [Easystart Homes](#) certainly has the right vibe for growing families. Designed to be family-friendly, functional, and stylish, this modern home design features 3 bedrooms, 2 baths, and a 2 car attached garage. Starting at just \$188,500, The Vibe can be counted among the new homes in Perth that are priced with families in mind.

At 10.81m wide, The Vibe is [suitable for narrow lots](#) but hasn't sacrificed a thing to save on size. The heart of the home features a seamless integration of kitchen, dining, and living spaces all overlooking, and opening onto, a courtyard. Two minor bedrooms, a bathroom, and a home theatre make up the "Kids Zone" at the rear of the home while Mum and Dad enjoy privacy at the other end of the home. The master suite includes an en-suite with his and hers walk-in wardrobes with a study, which could double as a nursery, located across the hall. Total living space of The Vibe is 171.36m<sup>2</sup>.

"The Vibe is ideal for families with young children, but it works equally as well for families that like to entertain. The open living area in the centre of the home opens up so many possibilities. Kids can play there while Mum and Dad get dinner ready, or hosts can take care of party preparations without being cut off from their guests," [Sandra Muller](#) of Easystart Homes ([www.easystarthomes.com.au](http://www.easystarthomes.com.au)).

- Solid surface kitchen benchtops.
- European 900mm stainless steel kitchen appliances, including rangehood.
- Stainless steel double bowl undermount to the kitchen sink.
- Soft closers on all kitchen, en-suite, and bathroom cabinets and drawers.
