AKRON, OH, USA, May 21, 2014
/EINPresswire.com/ -- [Famous commencement speeches](#) by popular figures such as Steve Jobs, Bill Gates and Arnold Schwarzenegger have been centered on this concept.

Graduation - it's all about new beginnings. And it's also about making the best possible choices to move forward in one's life. What better time could there be to gift a message of the Golden Rule? The "Do unto others..." message is one we often forget in today's busy culture. Remind graduates that the true key to success lies in treating others with the same respect we want to receive. Years ago a retired teacher gave away an early version of these marbles to inspire her students to do good things, including a personal hand-written note to follow the Timeless Principles of the Golden Rule.

The Golden Rule - it transcends religions and philosophies as a universal doctrine for us all. What a kinder, gentler world we'd live in if everyone followed the Golden Rule: "Do unto others as you would have others do unto you."

What is a Golden Rule Marble™? The Golden Rule Marble™ is a unique, pocket-sized keepsake, consisting of the message of "The Golden Rule" inscribed on a brass ring wrapped around an acrylic

marble. Translucent colors give the appearance of “light coming from within.” Each one-inch marble comes with a double-sided pamphlet imprinted with the golden rule - neatly folded into a clear, acrylic presentation box. The Golden Rule Marble™ is available in six high-quality, tiger-eye acrylic colors (white, black, green, blue, red and translucent blue).
