Private Money Loans Replaced by Low Interest Rate Commercial Real Estate Loans

Attention Property Owners: NOD's foreclosures and Chapter 11's no longer impact your borrowing power

LOS ANGELES, CA, USA, May 28, 2014 /EINPresswire.com/ -- Capital Restructure Group, an expert in low interest commercial real estate loans and private money loans, announced today that low interest rate bank loans are now available for property owners who have undergone foreclosures and Chapter 11's, and had NOD's recorded against their properties.

The firm is an expert in restructuring commercial real estate and business debt and in funding hard-to-finance properties and businesses at low interest rates.

The Company has a decades-long track-record of negotiating CMBS loan modifications and commercial loan modifications with the largest banks and financial institutions in the United States, as well as small regional banks private lenders and credit unions, and in funding hard-to-finance businesses and real estate projects.

Its principals have a combined 115 years of business, ownership, real estate development, investment and finance experience that they bring to the table for their clients.
