JAKARTA, DKI JAKARTA, INDONESIA, June 1, 2014 /EINPresswire.com/ -- Introducing the latest [RAMSOND Elite 6500](#) Silent Diesel Generator. This diesel generator 6500 watt (6.5 kW) portable, silent is suitable both as a stand-alone backup generator and for use at project / industrial sites. This highly versatile and rugged system has been designed to meet the requirements of quality and safety of residential and commercial applications. Ramsond is a Detroit-based company that specializes in products for power generation.

When the Elite series others you compare, you will quickly realize many advantages that make true to its name Elite series; elite. For example, the Elite series is one of the few systems on the market that fully meets and complies with all standards of quality and safety of U.S. and Canada. Many bargain basement providers simply ignore this important requirement and subject consumers to unsafe and low quality products.
