ABOUT DANAR TOOLS

In 2005, when Danar Tools was started as a small family-owned business, we made a commitment to provide working people with great quality tools at the lowest prices.

We buy direct from the factories who supply the brands and pass the savings on to you. **QUALITY IS OUR OBSESSION**

We test our tools in our own state-of-the-art labs, just like those operated by leading consumer advocate organizations.

With over 100 stores and over 25 million satisfied customers, Danar Tools continues to grow

Danar Tools ambition is to provide our customers with the widest range of home improvement products at the lowest prices everyday, backed with the best service.

Our team members are the heart and soul of our business.

Our team's guiding principles are integrity, respect, teamwork, achievement and innovation. Our guiding principles are the keys to our culture and to achieving our vision.

Danar Tools pursue sustainability within our operations by striving to make them socially responsible, environmentally aware and economically viable.

Danar Tools engage with the communities in which we operate and live and we actively contribute to causes and organisations that benefit these communities.

Danar Tools seek to lessen our environmental impact in ways that are measurable including:

achieving better and more efficient use of resources; ensuring our suppliers operate sustainably and ethically; encouraging and educating customers about environmentally friendly alternatives; and focusing on the “reduce, re-use and recycle” waste management principles.

Danar Tools value our team members’ contributions, recognise and reward their efforts and provide a fun, satisfying and safe workplace.

Today Danar Tools continues to be one of the premier retailers of tools and equipment with some of the largest first-class showrooms in the world.
