About [Danar Tools](#)

“

Quiet, durable and convenient, the Yamaha EF2000iS is designed for anyone seeking an ultra-portable source of electricity.

Yamaha

In 2005, when Danar Tools was started as a small family-owned business, we made a commitment to provide working people with great quality tools at the lowest prices.

We buy direct from the factories who supply the brands and pass the savings on to you. QUALITY IS OUR OBSESSION

We test our tools in our own state-of-the-art labs, just like those operated by leading consumer advocate organizations.

With over 100 stores and over 25 million satisfied customers, Danar Tools continues to grow

Danar Tools ambition is to provide our customers with the widest range of home improvement products at the lowest prices everyday, backed with the best service.

Today Danar Tools continues to be one of the premier retailers of tools and equipment with some of the largest first-class showrooms in the world.
