

Stanford Chiropractic Center Receives Fifth Consecutive Talk of the Town Award

Stanford Chiropractic Center earns high praise from satisfied customers, winning it the prestigious Talk of the Town Award for the fifth straight year.

PALO ALTO, CA, USA, June 11, 2014 /EINPresswire.com/ -- With a jump in its ratings the past two years to the highest possible of 5 stars, [Stanford Chiropractic Center](#) has won its fifth consecutive Talk of the Town [Customer Satisfaction](#) Award in the Health & Medical — Chiropractors category.

The Talk of the Town Awards, presented by Talk of the Town News, honor companies and professionals that provide excellent customer service as reported by their customers through no-cost, user-review websites, blogs, social networks, business rating services, and other honors and accolades. This data is analyzed by a team of researchers who calculate a company's CM Power Rating™. Only those that receive a 4-star to 5-star rating receive the Talk of the Town Customer Satisfaction Award.

Stanford Chiropractic Center has been serving Palo Alto and the surrounding communities for more than two decades. "We are dedicated to providing chiropractic solutions that target our patients' specific and unique needs," says Gavin W. Carr, D.C., founder and principal [chiropractor](#) for the center.

The center serves patients suffering from back pain, neck pain, headaches, whiplash or just plain old muscular tightness and tension, whether the result of an accident, injury or chronic conditions. "We also help patients improve their overall health and achieve their wellness goals," says Dr. Carr. "Chiropractic care is proven to assist in improving the immune system, reducing asthma and allergies issues, stress, ear infections, ADHD and much more. The goal of our chiropractors is to provide adjustments to correct the alignment of the spine alleviating pain and improving function while supporting the body's innate ability to heal itself."

Dr. Carr is an expert in the most advanced chiropractic techniques available. "Many physicians, and even other chiropractors, are patients in our office and they also send their difficult cases to our office for help because of the excellent results we achieve," says Dr. Carr. "We have many people who travel from all over the state of California and even from out of state because of the tremendous results they have received with my advanced techniques."

Stanford Chiropractic Center's advanced spinal correction and chiropractic adjustments utilizing state-of-the-art chiropractic techniques combined with its friendly, personal care are what keep patients healthy and happy. "From the moment a patient arrives in our office, we provide exceptional service, reassuring our patients that their care is our top priority," says Dr. Carr. "We care for every patient as if they are family."

In addition to providing superior care for its patients, Stanford Chiropractic Center places a high priority on community service. "We are dedicated to helping our patients and supporting the community in which we serve," says Dr. Carr. "Our team does this through donating time and professional chiropractic services. We make donations to local schools, sponsor local sport teams, donate to local charities such as Haven House and Second Harvest Food Bank, and participate in local outreach, education and community fairs."
