

Summit New Homes In Perth Blends French Elegance With Modern Luxuries In The Chateau Display Home

One of Summit New Homes' front-living design display homes in Perth, Chateau, offers the perfect blend of timeless elegance and modern design.

PERTH, AUSTRALIA, June 14, 2014 /EINPresswire.com/ -- Summit New Homes' [Chateau display home](#) in Trinity Estate will make any homeowner feel like the king of the castle. This bold and beautiful home follows a French provincial theme, which is carried throughout the home, but not at the expense of modern design features.

The Chateau features 4 bedrooms, 2 bathrooms, and an integrated open floor plan that has every room today's modern families need. As perfect for entertaining as it is for family life, Chateau welcomes visitors into the heart of the home immediately. Stepping into the open floor plan living and dining area, visitors can head towards the spacious kitchen or pop into the study. A home theatre and feature bar are located adjacent to the living and dining area.

Just down the hall, separating the sleeping areas from the rest of the home, is an IT nook. Large windows let in plenty of natural lighting as the home wraps around a centrally located courtyard. The kitchen, living/dining area, IT nook and master bedroom all overlook this private outdoor retreat. The Chateau display home features a pool, complete with waterfall and electronic retractable shade sail in the courtyard.

"Chateau is one of our only front-living designs, which means all of the main living areas are grouped towards the front of the home, with sleeping areas located in the rear. It's unique for that reason alone but it's also built in a C-shape to wrap around the courtyard. The result is an outdoor space that can be enjoyed from any area of the home. There is direct access to the courtyard from the master suite as well as the living/dining area," explained [Sandra Muller](#) of Summit New Homes in Perth (www.summitnewhomes.com.au).

The rear of the home houses the bedrooms. 3 minor bedrooms ring the outer walls of the home with the master suite nestled in the interior. A private en suite and walk-in wardrobe provide privacy, comfort, and plenty of space to unwind at the end of the day, especially once the door is opened on to the courtyard.

Chateau is on display now at Trinity Estate located at 9 Altea Way, Alkimos, WA, 6038. Opening

hours are Monday and Wednesday from 2pm-5pm, and Saturday, Sunday and Monday Public Holidays from 1pm-5pm
