

Quitgate Offers Quit Support and Huge Discounts on Stop Smoking Aids to Inspire Smoking Fathers to Quit Smoking

Quitgate.com offers quit smoking help & stop smoking aids as treatments that increase the chances of smoking cessation as cited by the Centers for Diseases-CDC.

PLAINFIELD, NEW JERSEY, UNITED STATES, June 17, 2014 /EINPresswire.com/ -- Celebrating Father's Day 2014, the healthier lifestyle-focused company, Quitgate, aims to reinforce a thought in the minds of smoking dads around the world towards taking the bold step of quitting smoking. The right decision on the part of responsible fathers can prove to be inspiring and help set a positive example of the family and home, peers and work, and on society at large.

Founder of Quitgate.com, Emmanuel Odiase says, "We are tired of losing our precious dads to preventable deaths caused by tobacco smoking. We want to inspire their decision to quit no matter how long they have smoked because there are great benefits. That is why we are providing [quit smoking help](#) and [smoking cessation products](#) with free shipping. We need fathers in our lives. We need them to live long. Quitgate.com's passion is to inspire a smoke-free life by all means possible and so in addition to our low priced products, we are offering 20% discount on all products for the remaining part of June and July. Just visit Quitgate.com, click on the green coupon icon to your right and engage on our social media channels. There you go, you got it."

Quitgate.com has built its reputation as a preferred holistic healthy lifestyle platform following the evidence-based counseling it offers. In addition to this, the program also offers great social support to those in need and makes a variety of smoking cessation products available to smokers at low costs with free shipping coupled with one of a kind customer service. With a passion to encourage new beginnings among current smokers, Quitgate aims at inspiring healthy living.

Launched in 2007, the initiative has grown significantly through advocating its ideologies against smoking and tobacco consumption. With a simple objective to reduce and eventually eradicate preventable deaths due to smoking related diseases, this project gains success because of its innate passion towards saving lives.

It is the objective of Quitgate to help smoking fathers and other individuals the world over in finding true inner happiness by getting empowered with the ability to take personal wellness in their own hands. The unique and comprehensive range of solutions offered at Quitgate.com are designed to create healthy living and help existing smokers find effective ways to ensure a healthy lifestyle in the long run.

For the founder, this project is nothing less than a passion to save lives. After having lost his maternal uncle to lung cancer, his organization was launched with an aim to educate and encourage public interest towards the development of stringent anti-tobacco norms.

With significant reach in over 20 countries, the Quitgate initiative has been able to find great success in voicing its ideas. Now, its aim is to target loving fathers who are still hooked to smoking and urge them to set the right example for their children and generations unborn!
