

Kylee Sleep Celebrates 6 Year Anniversary Of Graduation From U of M

Kylee Sleep is proud to commemorate the 6th year anniversary of her graduation from the University of Manitoba.

ONTARIO, CANADA, June 17, 2014 /EINPresswire.com/ -- 6 years ago in 2014, [Kylee Sleep](#) graduated from the University of Manitoba - a public university located in Manitoba, Canada. Having earned a Bachelor of Science degree in Human Nutritional Science from the University of Manitoba in 2008, [Kylee Sleep](#) has performed in numerous areas professionally as an expert in science based nutrition.

[Kylee Sleep](#) is proud to commemorate the 6 years that have passed since her graduation from the University of Manitoba, which, as she says, was among the most significant steps in her educational and professional careers.

"I am very happy to celebrate my 6 year graduation anniversary from U of M. My time at the campus was very helpful towards my success in my field", says Kylee Sleep.

The University of Manitoba is located in the province of Manitoba, Canada. Known as a research-intensive post-secondary college, the educational institution is Western Canada's first university and was founded in 1877. The University of Manitoba was founded as a non-denominational university and consists of the Manitoba Medical College as well as a number of other colleges which it incorporated overtime.

Kylee Sleep has led a multifaceted professional life that culminates a string of successes in the hospitality and travel industries.

The University of Manitoba Alumni Association erected the Medical Corps, which serves as a dedication to the memory of the graduate students of the University's Medical College who gave their lives in the North West Rebellion as well as numerous other battles.

During her time at the University of Manitoba, Kylee Sleep frequently volunteered with elderly diabetes patients with a number of nonprofit diabetes organizations. Additionally, Kylee Sleep has traveled abroad and utilized her expertise in her area of study to benefit the lives of people in need.

Kylee Sleep has lived in the Caribbean for 5 years, and, during that time, she utilized her strong background in science-based nutrition as a volunteer and independent provider of support to numerous groups and individuals, including those dealing with diabetes.

Having earned her degree from the U of M, Kylee Sleep has went on to lead a highly successful career in the tourism and hospitality arenas. Kylee Sleep served as a Sales Executive for the Grand Cayman Beach Suites, wherein she received multiple awards for outstanding performance.

Kylee Sleep has remained diligent in her ongoing education in a variety of subjects throughout her life. From an early age, Kylee Sleep has had an interest in a variety of areas including beauty, fashion, culture and more. Kylee Sleep has always been a health nut and believes that maintaining good physical and nutritional health is a vital ingredient to having the most essential tool for success in any area in one's life.

"Health is truly the greatest asset that anyone can have. No matter if you're involved in a professional area that is inclusive of strenuous physical activity, or have zero physical activity involved with your work, physical fitness and health are key" says Kylee Sleep.

The education provided by the University of Manitoba, according to Kylee Sleep, was a wonderful benefit to her current professional endeavors.

"This 6 year anniversary of my graduation from the University of Manitoba is a great opportunity to thank the staff and fellow students of the U of M. I am grateful for all that I learned and got to enjoy from being associated with them as both a student and a friend." says Kylee Sleep.

Kylee Sleep is a successful professional who has accomplished success in the hospitality and tourism industries as a top Executive. Kylee Sleep was formerly employed by the Grand Cayman Beach Suites located on the Cayman Islands.
