

Mobile App Developers Announce Social Network App - Travel Buddies

Mobile app developers, Sound Pipe Media are set to completing an app for their client called Travel Buddies..

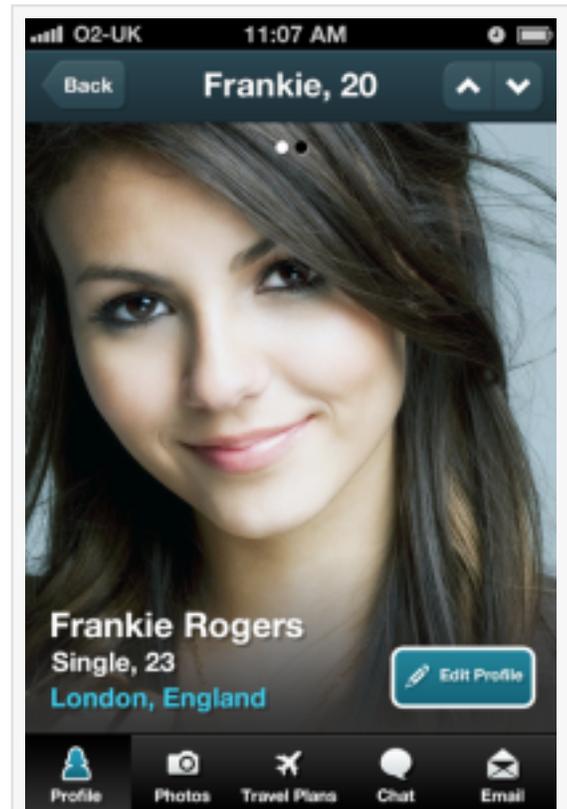

LONDON, UK, June 21, 2014 /EINPresswire.com/ -- [Mobile app developers](#), Sound Pipe Media are set to completing an app for their client called Travel Buddies.. With amazing functionality these [app developers](#) from UK have really hit a great app for anyone willing to travel and need a buddy. You can easily register via Facebook, Twitter, and then search who is traveling within the network to the same destination as you.

You can easily chat with friends and plan your itinerary. The application is a social network that costs the company over 60,000 to build. Travel Buddies is the FREE social network to find a travel buddy for your trip.

You can search for nearby travel buddies, message that person, connect to them and you even have your own email system. Login via Facebook, Twitter, or Google. The app allows you to set your travel plans and then finds you matches of similar preferences. You have your own profile and also can see others profile on the network.

Mobile app developers are becoming extremely popular in today's world. Apps such as Tinder & WhatsApp have been acquired for multi million pounds. Finding the right app developers especially [app developers uk](#) are becoming more challenging then ever. Luckily sourcing line have made it easier for us. They regularly generate a report to find the Top mobile app developers in UK and Sound Pipe Media are noted as being the Top 5 according to sourcing line. Travel Buddies will be available in start of July.
