

# HerAnswer.com Wins Official U.S. Distributorship of Proxtexid

*HerAnswer.com, distributor of health and beauty product, was selected as the official distributor of Protexid, a digestive aid and indigestion relief product.*

ROSEVILLE, CALIFORNIA, UNITED STATES, June 23, 2014 /EINPresswire.com/ -- [HerAnswer.com](http://HerAnswer.com), distributor of health and beauty products for men and women, said today that their company is now the official U.S. distributor of the digestive aid known as Protexid.

"We are very happy to have been selected to be the official U.S. distributor of Protexid," said Tim Rose, owner of HerAnswer.com. "Protexid is a highly effective digestive aid and the kind of superior health supplement that our clients have come to expect from HerAnswer.com."

Protexid was developed by Dr. Ricardo de Souza Pereira in Brazil. The active ingredients in this product can help relieve the most difficult symptoms of Gastroesophageal reflux disease (GERD) such as heartburn, regurgitation and acid reflux. Protexid contains a proprietary blend of the compounds Tryptophan, Methionine, and Betaine. Protexid is also 100% gluten-free.

HerAnswer has been a leading distributor of health and beauty products for men and women for over 12 years and is a proud member of the Better Business Bureau. The extensive line of products offered on the company's website include fine health and personal care products such as Can-C Eye Drops , D-Mannose for UTIs and Uriflow.

"We have every reason to believe that the proprietary formula used in Protexid will be so effective that it will soon become the top selling digestive aid on the market," said Rose. "Another benefit to having a healthy digestive system from using Protexid is that it will even help to control acne," he added.

Protexid works by helping the human body produce Serotonin and then Melatonin, which is a natural substance that controls sleep as well as gastric functions. By normalizing pressure in the lower esophageal sphincter Protexid helps to close this bundle of muscles more effectively and thereby assists in the relief of both heartburn and acid reflux.
