Jim Doyle, Alabama expansion representative, spoke about the move and Kitchen Magic's future in the Southern United States, "We're really excited to work with a new market—new homeowners, new transformations and new rewards that come with some unknown territory." He noted that he is most excited to bring Kitchen Magic's award winning services, particularly cabinet refacing to homeowners in Alabama. "It's all about providing the best service we can to make our customers as satisfied as possible. Although we've been a Northeastern kitchen remodeling company since 1979, our philosophy has always been to supply Southern hospitality to everyone we come into contact with, and so it was only natural we'd extend our business model into Alabama."

Currently expanding into the northern half of Alabama, Kitchen Magic serves Birmingham, Huntsville, Decatur, Florence, Anniston and Tuscaloosa, Alabama, and offers custom cabinet refacing, handcrafted cabinetry and luxury countertops. After establishing a strong base and gaining customer satisfaction as well as homeowner trust, Kitchen Magic hopes to continue its future growth into the rest of Alabama and surrounding states.

Kitchen Magic was founded in Allentown, Pennsylvania in 1979 by Jost and Reine Fleck. Today Kitchen Magic continues to be family owned and operated, now in the second generation and is the largest specialty refacing and kitchen and bath remodeling company in the Northeast, serving, NJ, PA, NY CT, MA, NH, DE & RI.
