

# California Metal Recognized Once Again for Supplier Excellence By Boeing

*California Metal, An Aerospace Material Specialist, Was Recognized Once Again By The Boeing Company For Superior Supplier Performance.*

SANTA FE SPRINGS, CA, USA, June 30, 2014

/EINPresswire.com/ -- [California Metal & Supply Inc.](http://CaliforniaMetal.com)

announced that it has received a 2013 [Boeing Performance Excellence Award](#). It is with great appreciation and respect that The Boeing Company has recognized California Metal & Supply Inc. for achieving [superior supplier performance](#).

Boeing recognized California Metal & Supply Inc. as one of only 459 silver suppliers to receive the Silver Level Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance.

California Metal & Supply is a minority owned small business based out of Santa Fe Springs, California that specializes in supplying aerospace metal products to customers worldwide. It was founded in 1984 to fill the need for hard to find metal products with competitive pricing and excellent lead time to serve major industries such as aerospace, defense and energy. The company inspires to become a qualified and valued diversity supplier to major corporations and government agencies.
